

THE SHERPA

VACUUM TUMBLER AND INSULATOR 11-OZ.

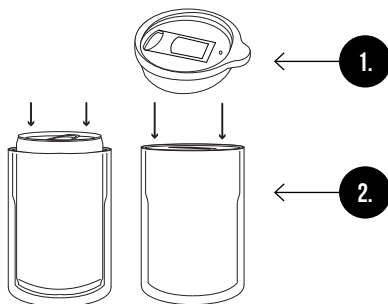

SM-6621

As low as US \$7.99 [c]

As low as CDN \$12.88 [c]

The Sherpa is uniquely designed for use as a conventional tumbler or a can insulator.

- » Vacuum insulated for extended hot or cold temperature retention.
- » Fits most single-serve coffee makers and vehicle cup holders.
- » Available in nine colors.

1.

1. TUMBLER CLOSURE

- » For use as a tumbler, press the lid into the top.

2.

2. TUMBLER

- » Use it with the lid to keep drinks hot or cold.
- » Use it without the lid to keep a canned beverage cold.
